CHAMBER TO SEND FIVE MEMBERS

Pacific Coast Chambers
To Be Represented
At Nanking

The meeting of the trustees of the Chamber of Commerce was well attended yesterday, but apart from the reading of several letters, nothing very important was brought up. After the minutes of the previous meeting had been read, J. F. Morgan, president of the chamber, stated that as F. M. Swanzy was leaving for the Coast and would be absent for several months, that gentleman had handed in his resignation as a trustee. The president stated that this matter will be acted upon at the next regular meeting of the chamber, when a successor will be appointed to fill this vacancy.

In reference to the Mohonk Conference which takes place from May 18 to 20, President Morgan stated that the chamber had been represented for several years and thought that a representative should be sent this year. J. P. Cooke moved and A. Gartley seconded that the Chamber of Commerce send a representative to this conference.

In reference to Mr. Baumgartner's letter asking that some \$3000 to \$5000 be raised for advertising Hawaii in the various papers of the mainland, J. P. Cooke moved and E. D. Tenney seconded that this be placed in the hands of the finance committee. Mr. Baumgartner is president of the National Editorial Association, and is contemplating bringing about one hundred members of this association to Hawaii.

The most important letter read was that received from the president of the San Francisco Chamber of Commerce in reference to Pacific Coast chambers being represented at the Nanking, China, Exposition. Secretary Wood of the Promotion Committee had delivered a verbal invitation from the Nanking Chamber of Commerce inviting as many of the local chamber's members as possible to be present.

The Pacific Coast chambers are limited to five members each. Mr. Morgan stated that to avoid any friction the local chamber should join the Pacific Coast chambers in this undertaking. The local chamber will therefore be

limited to five members instead of an unlimited number.

A letter was read from Genkihiro Yoshida, chairman of the standing committee of the Utsunomiya Chamber of Commerce, Japan, in which it stated that as Honolulu had such a splendid system of waterworks and that he had seen an article in a Chamber of Commerce's annual, in reference to the local waterworks, he wanted some information regarding this, as the city of Utsunomiya is now contemplating to construct a system of waterworks. This matter was referred to Marston Campbell. Mr. Morgan stated that he had seen Mr. Campbell in reference to this matter and that Mr. Campbell was sending full particulars to Genkihiro Yoshida.

A. Gartley said that he thought something ought to be done by the Chamber of Commerce in connection with the visit of Prince Tsai T'ao, of the imperial house of China, who is due in this city tomorrow on his way to the Coast. President Morgan said that the chamber would be well represented in greeting the Prince.

The present advertising committee, composed of Messrs. Wood, Williams and Hoogs, who were appointed by the chamber to look into advertising propositions and thus save business men of this city from being pestered by advertising people, was considered insufficient in numbers, especially as Secretary Wood has left for Atlantic City. Mr. Gartley moved and J. P. Cooke seconded that this committee be increased to five members. This matter will be brought up at the next meeting, and the names of three members will be submitted.

In future, when advertising schemes are brought before the notice of individual business men of this city by outsiders, they will be referred to this advertising committee, and if this committee thinks favorably of the proposition, the matter will be brought to the notice of advertisers. In this way business men of this city will be protected.

Those present at the meeting yesterday were J. F. Morgan, president; J. P. Cooke, A. W. T. Bottomley, A. Gartley, F. Klamp, E. E. Paxton, M. P. Robinson, E. I. Spalding, E. D. Tenney.
